

# Glass & Hard Surface Cleaner

## For Quarts:

An effective formulation which dissolves grease films, smears and fingerprints. Excellent for use on glass, windows, showcases and hard surfaces. Deposits an invisible coating that resists re-soiling, smearing and fingerprints while effectively freshening the surrounding environment with a pleasant breezy scent.

U.S. Patent No. 6,037,319

## How to Use

Add one pak to one quart of water. Shake to mix. Spray on surface to be cleaned. Wipe off excess product with a clean, dry paper towel or lint-free cloth.

## Where to Use

- All Stone
- Sealed Wood
- Tiles
- Mirrors
- Any surface not harmed by water  
(Glass, Countertops, Stainless Steel & Windshields)
