

# Heavy Duty Floor Cleaner

## For Floors:

A concentrated floor cleaner formulated to be used as part of a daily maintenance program. Thoroughly cleans dirt and traffic soils including black heel marks. Its unique formulation is mild enough for daily cleaning, yet effective for deep scrubbing at stronger dilutions. Phosphate-free. Pleasant ocean fragrance.

## How to Use

**Daily Cleaning:** Add 1 pak to 3-5 gallons of water. Mix well. Apply solution to surface with mop or scrubbing machine. Pickup dirty solution with mop or scrubbing machine. Rinsing is not necessary.

**Heavy Soil:** Add 1 pak to 1-3 gallons of water. Mix well. Follow the above directions.

## Where to Use

Works excellent on any floor with the exception of unsealed floors. This product works well on heavily soiled and greasy floors.
